1.4.88
a Lesson in the University of The New Covenant
Theodore Cottingham, February 21, 2006 2:30am

1. Who can see the day of My appearing is nigh unto thee; nigh unto thy mouth, into the words of thy mouth, coming out of thy mouth; coming into your temple, coming out of your temple, yea or never going in, or never going out (1); the choice is yours.

2. And who can see Me in My temple this day; and in the words of My mouth, meditate therein to see their temple, the temple of the living God, if they so choose; with the word of the living manifest, being the word of the living manifest; yea manifestly the living word before others, gods in; and not gods who denigrate themselves and degradate their own beings into dust; finely ground powder.

3. Watch Me lift.

4. See what I have said.

5. See what I have come and done with the meek and lowly who will give Me rest, and let rest be their mode of operation/their strength rising up on eagle's wings.

6. I love you. I give you Me.

7. Think it not strange who comes/who goes; wherefore/therefore; therein/thereafter; and see'est/seekest another; and yea returns to feast herein; letting feast flow through them to others.

8. I love you. I give you Me; My maintenance, not, but yea My All-Abundance.

9. Into the house thou hast seen; the house of the living/true/real; coming into Me/flowing into Me, others; Me'ing others, and yea Myself. I love you. I give you Me'd ones now from all over who come and share in the blessing; pretension not, but yea over-flowing the word of My mouth in them/being them; they/we/you are; us/one; yea we are our/Father's word. I love you.
I give all things into your hand.

10. Your heart that seeks/pants after only Me, and has said, "There is no God" not, but ever coming into/after Me, yea coming into My all, being My all; transcendingly

transcendent; and who knows what I mean; and time/space/boundaries have no hold any longer on My beloved. I take you to the inner/outer; inner-inner; outer/inner; outer-outer; and yea you know all things, and will know all, and more than you can imagine is all, exponentiafied multiple/manifold times; times, times, and half times many.

11. **I love you. I give you Me; My soul, not; the center of My heart, yea soul not having; yea did I/you ever?** I love you.

12. See what I have said.

13. Ask.

14. I give you My appearing in My/your temple; and your appearing in your temple is what; the second, or the first, or does it matter?

15. See My pattern/be. And who can rise the top off of the top; and yea seeing all, seeing all, seeing absolutely everything, return and come unto Me, not; but yea Father's heart be to all inclusively, absolute inclusiveness, yea but only in surrender/intense depth of ultimate surrender; and life is laid bare. And who can go/see there, and return; and return living, and live far and wide simultaneously; concurrently not; simultaneously?

16. I love you. I give you Me. I give you rest; upon My shoulder not, upon My lap not; but yea upon shores many, as you have desired, with water all around/waters many; far and wide; queen'd/king'd; and yea the beauty of My appearing in My temples many now; the word of My mouth; yea there'n, and yea all around; and unto Me seeing through Me, yea into each other, being, yea The One/One'd, and One forming many One'd is.

17. I thank you. I give you Me.

18. Details many, yea coming/going, yea staying; in both is/are; reticent not, to live in both; simulcasting not, but yea

simultaneously are/is/in one; throughout both kingdoms, now one; and the kingdoms of our God what/were the kingdoms of this world are now the Kingdom of our God; and who is God?

19. I love you. I give you Me/all things; as I have said/stated and in your hand are/is; and mighty to behold. Thank you for beholding Me; one of sorrow not, but abundance, yea great and mighty.
Thou has beholden Me and I say, "Thank you."
Thank you, Sharon.
Thank you, Lee.
Thank you all who look My way, and allow Me to hear Me, purely. I love you.

20. My Brett, see soon. I love you more and forthwith coming mighty/multiple times.

21. Thank you for grasping My recorder in your hand, almost alway.
I love you. Goodnight.
Rest. Me.

22. I come forth in rest, it comes forth in rest, and all that you desire comes forth in My rest. I give you My rest/Me/My all. You are it/you are all in all, now seeing/being so quickly; in time never again/diminishes; ever expanding/light exploding radiance the worlds cannot miss. I give you Me/Light; one. Amen. My glorious temple replete; you in My temple/you in yours; yea one and the same/are/is. I love you. Goodnight.

23. All things, all things, all things into your hand/your heart; one with Mine.
We are not different, we are each other.
Amen

Footnote:
1. Rev 3:12a Him who overcomes I will make a pillar in the temple of my God. Never again will he leave it.
